San Patricio County's COVID-19 Situation Report

With the help of public and private labs, San Patricio County has conducted 24 tests for COVID-19. The San Patricio County Department of Health has received two (2) positive tests. In addition to the original McLennan County case, a second case involves a San Patricio County resident who was known to have had close contact with an existing positive COVID-19 individual. The resident from San Patricio County is in stable condition and is in isolation since the symptoms do not require hospitalization.

No person-to-person spread of the Coronavirus has been reported. Therefore, the immediate risk of transmission in San Patricio County remains minimal according to county health officials.

San Patricio County Department of Health has set up a Call Center for COVID-19. Call **361-201-0551** between the hours of 8 a.m. and 5 p.m. M-F.

For information, please contact Clara Rieder, Public Health Preparedness Manager, at clara.rieder@co.san-patricio.tx.us; or Dr. James A. Mobley, MD, MPH, FAAFP.
