**San Patricio County's COVID-19 Situation Report**

Below please find the **New Cases Count in the last 14 days**. **The County must go 14 days with 20 or fewer new COVID-19 cases before Judge Krebs can request an exemption from GA-29.**

TDEM uses a rolling 14-day calendar. **San Patricio County has received 301 new COVID-19 cases in the last 14 days**. If the County is exempted from GA-29 but later exceeds the 20 new cases during a 14-day period, then the County would be required to comply with all aspects of GA-29. If after a 30 waiting period, the County once again has had fewer than 20 new COVID-19 cases, Judge Krebs can reapply for the exemption.
